"DO IT TO-DAY."

The time-worn injunction, "Never put off till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all drugists.

## Better Spices

For your canning and pickling recipes you need the kind of spices you get here. Spices are drugs and we buy them as carefully as we do any other item of drugs. We buy spices on the basis of quality. Our first effort is to get the very best, our next to get them as cheaply as possible. You will find that these good spices go so much farther and give so much better results as to be far more economical than the grade that is cheap in price only.

#### FRAUD EXPOSED.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies as all others are mere imitations. H. E. Bucklen & Co., Chicago, Ill., and Windsor, Canada.
